Important notes

Please raise any objections to individual entries without delay. Cheques, bills of exchange and other direct debit are credited subject to receipt of payment. The account balance as indicated above does not take the value date of the entries into consideration (see above under "value"). As a result, interest may be charged on disposals in the event of a granted or tolerated account overdraft.

As banking or financial services, the settled payments are exempt from VAT, provided VAT is not listed separately.
